

Trusted Leaders Endorse the Value of Dwight Bain's Strategic Life Coaching Book, "Destination Success"

"Destination Success is a fresh approach to balancing your life using humor, stories and practical exercises to overcome obstacles that handicap us from our dreams." –**Mark Victor Hansen, Co-creator, #1 New York Times best-selling series, Chicken Soup for the Soul ®, Co-author, The One Minute Millionaire**

"What a man can conceive and believe, he can achieve.' Dwight Bain masterfully amplifies this truth in "Destination Success" by the reality of his 20 years of wise coaching, powerful insights, practical suggestions and the core awareness of the difference between success and lasting significance in life." –**Naomi Rhode, CSP, CPAE, Past President, National Speakers Association**

"In Destination Success, Dwight Bain shows how you can live your dreams even when life's unsuspected blows bring great setbacks. Dwight's keen insights set you on a course for success." –**Steve Arterburn, best-selling author, Founder of New Life Clinics & Women of Faith Conferences**

"Destination Success" is truly destined to be one of the classics in achieving success in life. My friend Dwight Bain writes in a clear, precise and compelling fashion and when you're finished reading this book your life will never be the same." –**Pat Williams, best-selling author, Founder, the NBA's Orlando Magic**

"In athletics, the best coaches are often those who previously succeeded as players by understanding, mastering, and applying the game's fundamentals. They were the player who made his teammates better. Dwight has played the game and in 'Destination Success' he shows you how to win. His practical, achievable strategies for success will get you going in the right direction." –**Bob VandePol, PhD, President of Crisis Care Network**

"Dwight Bain is one of the most encouraging men I know. Just being around him makes me feel that I can be better and live higher. Thousands have been motivated by listening to him teach. Now a book...and it should be no surprise that "Destination Success" reflects the power and enthusiasm of the writer. Read this book. You'll thank me for recommending it to you." –**Dr. Steve Brown, best-selling author, host of Key Life Radio Network**

"Perhaps the most impressive thing about "Destination Success" was the climactic ending. He built a solid case for success as a journey throughout the 12 chapters and topped it off perfectly at the conclusion. Success, not only as a journey, but as a process is another strong theme of the book. I strongly recommend this book to success seekers. It will feed your soul with good nutrition." –**Dr. W.G. Covington, Jr., Amazon.com Top 1000 Reviewer**

"I filled this book with highlights and Post-It notes, and covered half a dozen pages of a legal pad with notes as well. This book is a great first stop on a journey toward creating a life--not just a career, but a LIFE--that is more meaningful than the same old routine so many of us have found ourselves trapped in. - **Kristen Stieffel, Amazon Reviewer**

"Dwight Bain helps you discover a 'success mindset' that will set you free to realize your dreams."-**Dr. Tim Clinton, president, The American Association of Christian Counselors**
